Edition 2
minis4kids@ntlworld.com

Welcome to our second newsletter. In this issue we will introduce you to what we have planned for Gunwharf Quays on October 11th as well as some more of our supporters.

We have been busy since the last newsletter, gathering more support and planning the day's program. There are a few things left to finalise, but we are pleased to announce that we don't have to meet up at 8am this year. With the tie in to the Portsmouth Film Festival we will be linking up with the final movie of the week long event. This means we will now be moving the cars in at 11am and do not have to meet till 1030am.

We will be able to stay longer to link in with the 6pm movie screening at the end of the day. I know those of you travelling down will appreciate the later start, I know I will!! The full schedule will be out very soon on both the website and sent out to all entrants.

With the support of Gunwharf Quays and Wave 105 we are planning something different to allow us the opportunity to bring an event with a difference this year.

We are slowly starting to fill our allocated space at Gunwharf Quays and the Roof Graphics display and custom paint car for Central Square is looking good. So good in fact this area is almost filled up already. We will be spreading the cars out more again this year to allow a greater display. So if you haven't already booked your space drop us a line soon.

PHOTOGRAPHY

This year our Gunwharf Quays day is again supported by photographer Michelle Bean. Michelle is a Mini owner and enthusiast. She is supporting us by taking photographs of all the cars on the day.

Michelle set up her company four years ago and is available to professionally photograph, cars for insurance valuation, mementos, charity, weddings and events, parties and family and friends portraits in the comfort of your home or on location.

The photos will be available to view and purchase from her website and for each print ordered before October 31st, she will donate £1.50 to our cause.

To contact Michelle directly her email address is

michelle@cherished-images.co.uk

and the website is

Car insurance

We have teamed up with Performance Direct and their classic car club scheme. If you take out a policy with them using our unique reference number **CC101** they will donate a sum for each policy to our nominated charity. So when your insurance is due give them a try, and it will help our fundraising efforts.

Their number is 0800 997 8360

Rocker Cover Racing

We are currently sorting a Rocker cover race track to use at Gunwharf Quays and other fundraising events, but we need some rocker covers either unbuilt or built donating. We also need components to convert the ones we already have into racers. If anyone can help us in any way please email us. We are looking to build at least 6 racers to use so we need plenty of parts (wheels, bases, bodies, paint etc.).

If anyone knows of any company who would be willing to help with this. We will offer advertising space on the track to any company who can help us.

We will be running the competition and allowing your own Racers to take part in the knock out competition on the day. Check out the website for the rules and why not go rummage and build your own racer and have some fun on the day.

Scotthall Hampshire MINI is proud to sponsor Minis4Kids. You will find us at the annual Minis4Kids event on 11 October at Gunwharf Quays, where you could WIN a MINI for the weekend, and get up close to the NEW 50th MINI models.

Can't wait till October? Why not feast your eyes on the NEW Limited Edition Camden and Mayfair at our 50th birthday party. You're all invited!

YOUR PARTY INVITE.

We'd love you to join us in marking 50 glorious years of MINI, at a weekend long shindig on 12-13 September. There will be plenty of fun-filled activities, competitions and of course MINIs galore.

Pop in for a slice of birthday cake and be one of the first to experience our new Special Edition models.

MINI 50 MAYFAIR. MINI HAPPY RETURNS.

At first glance the MINI Mayfair signals its special anniversary credentials with its combination of Midnight Black, Pepper White or, for the first time on the hatchback model, Hot Chocolate paintwork accented with unique toffee-coloured bonnet stripes.

MINI 50 CAMDEN. LOOK TO THE FUTURE.

The MINI 50 Camden offers a glimpse into the future of MINI design using colour, trims and finishes with a strong contemporary feel. Exclusive White Silver, Midnight Black or Horizon Blue paintwork is complemented by striking 17" White Shield alloy wheels.

Want to know more? Want to see for your self? Come to our party!
